22D YEAR. NO. 81. SALEM. OHIO. WEDENSDAY. APRIL 6. 1910. TWO CENTS.

"GROSS NUISANCE" TERM DESCRIBING OUR SEWAGE

If advices from the state board of health are respected, steps will be taken before long for the construction of a sewage disposal plant in Salem, a move that has long been agitated here. Owing to a lack of funds necessary to build such a plant, the matter has never been pushed to the limit of action, but as the state board of health took occasion to send a representative to this city some weeks ago, whose report of conditions found here has caused the department to urge that a purification works be constructed, it is quite probable that the preliminary steps will soon be taken.

The following letter, sent by Secretary C. O. Probst, of the state board of health, to the mayor and city council, was read before council Tuesday evening:

"Recently a representative of our engineering department visited Salem and made inquiry relative to the sewerage of your village. It appears that you have built a number of sewers in general accordance with plans submitted by L. E. Chapman, of Canton, which plans were approved by the state board of health upon condition that purification works be installed. There has resulted a gross nuisance in the small streams which now receive the untreated sewage flow.

"We trust that steps will be taken for the construction of necessary purification works without further delay."

The matter was referred to the judiciary committee and it is quite probable that this committee will report favorably for the construction of a purification works.

MINERS HEREABOUT ARE RESUMING WORK

Upon condition that the operators will sign the new wage scale, granting the miners an increase in wages for the next two years, when a sub-district convention is held for this purpose, miners of the majority of the mines in this vicinity resumed work Wednesday morning after a strike lasting about two weeks.

The one mine that has not resumed operation and possibly will not for several days, is the Buck shaft, just east of this city. The operators of this mine have notified the miners that they can expect the increase, and go back to work as soon as they desire, but there is another drawback that is continuing the strike at this mine. The miners refuse to work under the provisions of the notice issued by Mine Inspector Alex Smith, of New Philadelphia, compelling them to quit "shooting off the solid".

A meeting was called with President Poplin, of this sub-district, Monday morning to discuss the notice, but the president and Percy Tetlow were caled to West Point to organize the miners of that vicinity, and the local meeting did not materialize. On Tuesday Edward Gemmel, representing the Buck miners, forwarded a request to Chief Mine Inspector George Harrison, of Columbus, that Inspector Smith be sent here to consult with the miners and revise his notice. The miners declare they cannot work under the provisions of this order and as they are anxious to return to the mine, they desire that the notice be revised.

The Clerks The Guests

The Business association royally entertained the clerks of the members Tuesday evening when a reception was given in their honor.

A fair-sized jolly crowd was present and they enjoyed the occasion to the fullest extent. Progressive pedro was the special social diversion for the forepart of the evening and when the final signals were heard all expressed a regret at giving up of so enthusiastic a game.

A fine luncheon was served after which the winners were presented with their trophies. Miss Nellie Montgomery was presented a fine piece of china for the ladies' honors. The gentlemen's first prize was awarded to Oscar Baker, the cards having to be cut to determine which of six who had won an equal number of games was to be possessor of a fine mirror. There was also a contest for the ladies' prize awarded for not winning and after lots had been cast Miss Anna Gemmell was presented with a watch and chain.

D. G. Raley had no opposition for the prize in the men's slow race and he was presented with a beautifully engraved "gold" watch.

A pleasing address was given by C. M. Preston, of the Sheldon School of Salesmanship, his topic being "Character Building." Mr. Preston's remarks were of especial benefit to salespeople as well as being extremely interesting. One of his epigrammatic remarks was: "A man is worth a dollar a day from his collar down and what more pay he may expect must come from his collar up."

SAW COMET, MAYBE, BUT NOT HALLEY'S

Several Salem people were lined up along Main street Tuesday evening closely watching a light in the southwestern sky that they supposed was Halley's comet. Many had telescopes and guns with telescopic sights on them and were able in this manner to get a better view of the light. The light moved about considerably, first disappearing into a small speck and then becoming much brighter, but not staying in one place long enough to get a good view of it. In the opinion of some, this was a comet, but not Halley's comet.

Halley's comet is visible only in the morning at present, rising Wednesday morning at 4:35. It is yet scarcely visible, but is to be looked for in the low east. The comet is nearest the sun on April 20. After that it gets closer and closer to the earth until May 18, when the earth will pass through its tail. Immediately after that date the comet will be very brilliant, and it will be favorably situated in the evening sky for us to see it. It will remain between the earth and the sun throughout the summer, slowly getting fainter and fainter as its distance is increased.

HAWKINS BILL IS SIGNED BY HARMON

Columbus, April 6.—The Hawkins bill providing that candidates for congress shall be chosen by a primary instead of by a convention is now a law, having been made so by the signature of Governor Harmon, which was affixed within a half hour after the bill reached him from the legislative halls. Candidates must file their nominatiing petitions 25 days before the primary, which comes on May 17, which makes the last day for filing April 22. Delegates and alternates to national conventions are also chosen the same way under this law.

DID NOT SUBMIT ANNUAL BUDGET

MAYOR EXPLAINS THE ADVISABILITY OF DELAY.

MAKES PLEA FOR PARK

Sewer Project Discussed at Council Meeting—Fine Money Added to the General Fund—Objection Made to Blowing Out of Soot.

Mayor Carlile went before the city council Tuesday evening and explained that, under the provisions of the law, he should have on that night presented his annual budget for the year 1911 for that body's consideration, but, hoping benefits may be derived from the new appraisement, he had decided to withhould it until a later meeting. He stated that he thought it good judgment to defer it for one or two meetings so that he could have some information concerning the appraisement that would be of value to him as well as to the council in fixing the tax levy.

In his remarks the mayor stated that he hoped council would consider an appropriation to keep up the city park. He announced that he intends to include one mill for park purposes in his budget, whether or not it goes through. He suggested that the councilmen go out in a body to look over the park and see for themselves the need of some places of shelter there. A motion later prevailed that council and its attaches go in a body to view the park the latter part of the week.

Council was informed by the mayor that $550 that he has collected from liquor fines is deposited in a local bank, which money, the law says, must be transferred to some city fund. As Auditor Holmes informed him that the general fund is the shortest, he suggested that the above amount be transferred to this fund. Acting upon this suggestion, a motion was passed instructing the auditor to apply the $550 to the credit of the general fund. The mayor stated that an additional fine of $100 that is to be paid in installments by Mrs. Mary Demeo will be turned into the city fund later.

Chairman Cavanaugh, of the sewers committee, reported that the committee had decided to call a meeting of the abutting property owners along the proposed sewer on Eighth street from Superior to Garfield avenue and north on Garfield avenue to the Painter road, because the assessment will possibly be higher than for other sewers in the city. The meeting was productive of much information in regard to the cost of constructing the sewer and the city engineer may have to revise his estimate. The matter is pending until word is received from two of the property owners who are out of the city, as the owners expect to have the work done without legal advertising.

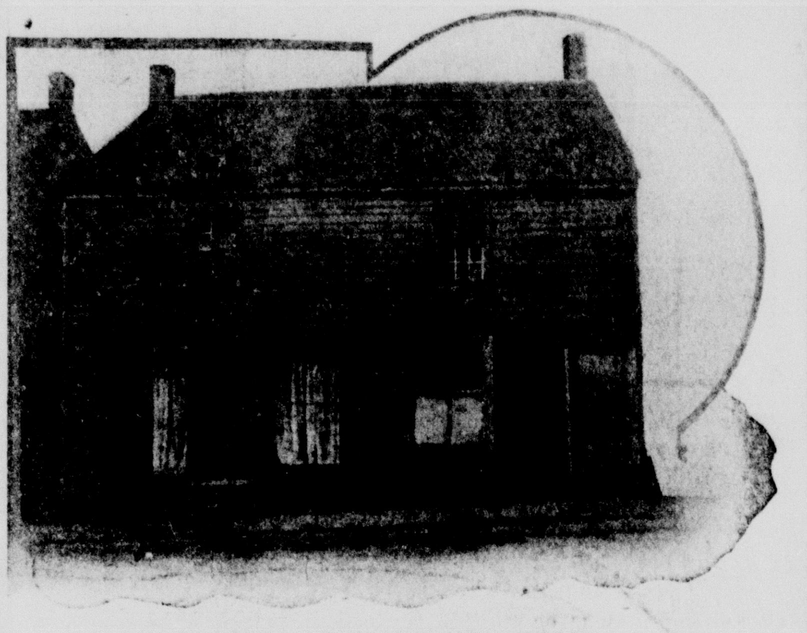
Mr. Cavanaugh also reported that the committee had visited Wilson street and decided that a sewer should be constructed to alleviate the unsanitary condition there. The engineer was thereupon instructed to prepare plans and specifications for a sewer on that street to extend from the trunk line sewer east to Newgarden street.

A petition was presented to council asking that a sewer be constructed on West Eighth street to Goshen avenue and north on Goshen avenue to Tenth street. At the same time a remonstrance against the building of this sewer, signed by 17 residents of those streets, was presented and both were referred to the sewer committee.

Chairman Dougher, of the streets and sidewalks committee, reported that a sidewalk should be laid on the north side of Wilson street. The city solicitor and engineer were instructed to prepare a resolution declaring it necessary to build a sidewalk of stone or cement, five foot wide, on the north side of Wilson street from Newgarden street to the Pennsylvania railroad tracks.

Mr. Dougher called the service director's attention to the condition of Maple street, along the south end of the city park. He declared that tree stumps needed to be taken out, the street graded and straightened and an ash walk laid along the end of the park on Maple street. He also called council's attention to complaints that have been made because factories blow the soot through the flues, which damages property and clothing of passersby. He thought that there should be an ordinance prohibiting the factories from blowing out the flues during the daytime.

(Continued on Eighth Page)



THE OLDEST HOUSE IN SALEM.

Oldest House in Salem Is Being Remodeled

The old log and frame building on West Main street, occupied in the east side by Davis Morningstar's bottling works, and in the west side by Charles Whitcomb, as a residence, and known as the oldest building in Salem, is undergoing extensive improvements that will prepare it to stand for possible another century.

Extensive improvements and alterations are being made to the interior as well as to the front of the bottling works, while the front of the residence part will be changed and new weather boarding placed over the old logs. The carpenters say that the timber in the house is so well seasoned that it is as substantial as new material and after it is remodeled, the building will be as firmly constructed as it was over 100 years ago.

Only the west end of the building is constructed of logs, and this end is the oldest building in Salem, the east side having been built later. The logs will be left standing, and only the exterior will be entirely new.

STARK MAY AID IN HOSPITAL PROJECT

Dr. C. O. Probst, of Columbus, state secretary of the board of health, conferred Tuesday evening with the Stark county commissioners at Canton on the question of providing a tuberculosis hospital for Stark county alone or for a district composed of Stark and some of the adjoining counties.

As the commissioners expressed an opinion that that county would not erect a tuberculosis hospital on the infirmary grounds, a site near Springfield lake was suggested as a desirable location for a district hospital comprising Stark, Columbiana and Summit counties. The Stark commissioners will take the matter up with the commissioners of the other two counties in a week or two in and effort to have them unite in erecting a hospital for the accommodation of patients from all three counties.

FORMER SALEM BOY SIGNALLY HONORED

Charles W. Lutz, a former Salem boy, will be placed at the head of the new plant of the American Steel & Wire company at Ensley, near Birmingham, Ala. Twenty-three years ago Mr. Lutz was a sawdust boy in the Salem Wire Nail company's plant here, and since then being identified with various important plants gradually rising to the high position he has held at the newest and best plant of the company to date. Mr. Lutz was formerly general superintendent of the wire plant at Rankin, and later he went to Donora, Pa

Fifty-three Years Ago.

An old resident of Salem is authoritiy for the record that 53 years ago Wednesday morning there was six inches of snow on the ground in Ohio. March had been as fine as this year and the trees were all out. The snow did not damage the fruit crop of which there was an abundance that year.

A SHOP LEAGUE MAY BE ORGANIZED

In view of the fact that there may be no representative baseball team in this city for the coming season, employes of several local factories are agitating a move for the organization of a shop league. An effort has already been made to organize a team at the Deming plant and as each shop has its share of good, local players, there seems no reason why a city shop league should not be formed to make the game lively among several home teams.

As the shops are closed on Saturday afternoon during the summer, games could be played once a week and lively contests for city honors would no doubt result. Last year teams were organized among the employes of the Deming, Mullins and Buckeye plants and the pottery and a number of interesting games were played. With these teams re-organized and teams in other shops formed, a shop league composed of several clubs would be the next move and Salem fans would want for no more exciting games.

MOTORMAN DICKINSON DIED FROM HIS INJURIES

Lisbon, April 6.—C. L. Dickinson, a former resident of Lisbon, who was injured in a collision between interurban cars on the Warren and New Castle interurban road Monday, died at the Warren hospital last evening from the effects of his injuries. Dickinson was the motorman on the regular car which was sideswiped by a special a short distance east of Warren. The body will be brought to Lisbon this evening to the home of William Albert, where it will remain until tomorrow when funeral services will be held and interment follow in the city cemetery. Dickinson's wife and family live in Lisbon and were unaware of his injuries until yesterday evening.

Electric cables with hemp cores to take up the strain more evenly are a Swedish invention.

Asking About Condition of Public Roads Out of Salem

The postoffice department in Washington has authorized Postmasters W. S. Atchison to ascertain the condition of the roads and bridges on the rural routes. The postmaster is also authorized to inform rural patrons that improvements must be made where conditions are faulty. If after a reasonable length of time, the improvements have not been made or started, the fact is to be reported to the department and action may be taken to discontinue the service. The department favors the timely work and the use of the split-log drag or similar device.

The postoffice officials also advocate the painting of the rural boxes, that they should be white and have the names and numbers imprinted in two-inch black letters.

"It is desired that the road officials paint upon posts of boxes which are located at cross-roads (but not attach signs) the names of towns or villages to which the cross-roads lead, with an indicator showing the direction.

"Posts to which boxes should be attached shall be set in an easily accessable position at the side of the road and boxes securely fastened to a projecting arm of wood, or to a bracket of band iron about 3-16 of an inch thick, or, if preferred, an automatic extension arm may be used."

RUNAWAY BOYS WERE CAPTURED

GIVEN A HEARING IN JUVENILE COURT.

GIRLS LOST COURAGE

Had Planned to Accompany the Lads From the Fairmount Home—Begged Food From Farmers and Slept Outdoors—Had Two Cents.

East Liverpool, April 6.—Walking the entire distance of 47 miles, sleeping in the open air and securing their food in the regular tramp fashion, William Hamilton and Alex Helms, of East Liverpool; Paul Galloway, of Wellsville, and John Kale, of Salem, who escaped from the Fairmount Children's home at Alliance, arrived in East Liverpool Tuesday and were captured a few hours later by Officer James Haley at the Dean confectionery store on Trentvale street. The four youths were confined in the city jail and the officials of the Fairmount were notified.

Smilingly the four lads related to a reporter their narrative of the manner in which they escaped from the institution at 9:30 o'clock Saturday evening and the events leading up to their capture in this city Tuesday morning.

The boys had planned an escape from the home for several days, but the culmination of the affair was reached Saturday when Kale and Hamilton were notified that they would receive punishment at the hands of one of the employes connected with the home, as a result of their refusal to perform certain duties on the home farm. Hamilton and Kale, with the two others, then perfected the plan for escape. Patiently waiting until the other inmates of the house had retired and making certain that no one else was around, the four lads crept down stairs from the dormitory in the farm house to the play room, where they had left their shoes. Hastily putting on the footwear they left the building and made out through the country.

An examination of the pecuniary possessions of the boys developed the fact that but two cents was at their disposal. Young Hamilton had these. The quartet selected a route through the country from Alliance. They reached Homeworth at 1 o'clock Sunday morning and decided to get a few hours' sleep. They rested until 4 o'clock, then walked on, arriving at Kensington early Sunday morning and securing food by begging from residents of the village. The next stop was East Rochester, which they reached Sunday evening. The lads slept on the roads enroute. Salineville was passed Sunday afternoon and Wellsville was reached Monday afternoon.

After remaining in Wellsville a few hours they continued to this city. Reaching here toward evening they did not stop, but proceeded over to Newell, where they found quarters near the Laughlin pottery for a bed. They slept during the night and Tuesday morning returned to East Liverpool, after young Helm had seen his mother, as she reported for work at the Newell pottery. They made their entire way by begging, even to the trip across the bridge being effected in this manner.

The four lads proceeded to Trentvale street, where they hoped to see some of the relatives of young Hamilton. They stopped at the Dean store, where some of the neighbors saw the lads and reported their arrival to police headquarters. Their arrest followed.

The runaways stated they had decided to come to East Liverpool for the purpose of giving themselves up. They insist that one of the main reasons for escaping was simply to secure a few days' vacation. Young Galloway, a member of the party, escaped from the Fairmout home five months ago and was free for three months.

Lisbon, April 6.—The boys who made their escape from the Fairmount Children's home Saturday were brought into juvenile court this morning and allowed to tell their stories to Judge Farr. The boys stated that they had planned to escape from the home three weeks ago and had included in their party some of the girls at the institution, who were discontented there. The girls, however, failed to muster up courage enough to join them at the last minute. The reason for their discontent was some trouble they had with Frank and Harry Whitaker, who are employed as farmers at the children's home.

Profiting by Last Year's Tests, Only A Few Varieties of Corn Will be Grown

The Columbiana County Corn Improvement association has made arrangements for test plots of the best varieties among those tested last summer, the poorest varieties to be dropped. Committees have been appointed to take up the test work. The field corn committee is composed of G. W. Armstrong, of Lisbon, and S. B. Richards, of Salem, the varieties being Medina Pride, Reid's Yellow Dent, White Cap, Leetonia Pride and Bailey's Yellow. W. J. Steer, of near Winona, and O. E. Whinnery, of near Salem, compose the ensilage corn committee, these varieties being Turner's Blue Ridge, Pike's and Old Virginia.

Boys between the ages of 16 and 20 years may compete in the boys' contest and the winner will receive a $30 scholarship to the Salem Business college. The rules were made to conform to the rules governing the state contest, so that boys who wish may enter both contests. The corn will be judged according to yield and character, 50 per cent being awarded to each.

Columbiana County, Sate of Ohio, ss.

I, Louis H. Brush, publisher of The Salem News, swear that the above statement is true.

LOUIS H. BRUSH.

Sworn to and subscribed in my presence this 2d day of April, 1910.

JOHN E. ROGERS,
Notary Public.

When there was injected into the general appropriations bill a provision for the spending of $18,000 for the printing and distributing of a lot of bound volumes of Howe's History of Ohio, one of the state senators more frank than the rest said he would rather take his share of the $18,000 in money, as he could use it to better advantage in the next campaign. That was funny, and it was also mighty serious. What business has the legislature of Ohio spending $18,000 of the people's money that the members may pass around a lot of books to voters whose favor they may desire? Why not just cut out the printer's share of the graft and appropriate so much money—actual cash—for "campaign purposes" and thus be open and above board in their grafting? It will hardly do to excuse this sort of thing on the ground that it has always been done in the past. A legislature in the past pocketed a lot of the public money in that historic railway mileage grab. But time has not lessened the moral aspect of the steal in the least. There is no demand for these histories anyway. The school children of the state are very well supplied with histories and so are the public libraries.

A correspondent to the Warren Tribune makes a very sensible suggestion when he asks: "Why don't John D. Rockefeller take some of his surplus wealth and buy up cheap farms and put onto them honest and industrious young men and let the rent pay for the land?" It seems strange that this idea has never been taken up by millionaire philanthropists. With so many thousands of acres of cheap, abandoned land available and so many young men willing to go to work upon it if given a little financial "first aid" the opportunity to increase the nation's wealth in a healthy, substantial manner and to produce good citizens as well seems very attractive. And the best feature of such philanthrophy would be that it would not be a complete unconditional gift but would require effort to repay the amounts advanced, thus encouraging both enterprise and economy, traits much to be desired.

The Ohio state banking act, known as the Thomas law, is now in full force and application, the limit allowed some of the older private banking institutions to adjust their affairs to the new order having expired April 1. This means that banking in Ohio is on a safer basis than ever and that a state bank is supervised as carefully as a national bank.

Recent statistics show that hysteria is twice as prevalent among soldiers as it was a decade ago. Caused, doubtless, either by the annual longing-for-an-appropriation war scares or the numerous divorce sensations eking out of army posts.

The Ohio State Journal submits that when a bottle of wine is charged up to a public account in Ohio it is "pure unadulterated graft." More. In this county it would be equal to slapping the president of the Civic league in the face.

Senator Ben Tillman telegraphed the New York World that "all this hoorah over Roosevelt makes me sick!" Which is a gentle reminder that the government of South Carolina still stands and the pitchfork senator still lives!

These are the days when the small boy views with alarm the tendency toward over-educating the youth of our fair land.

EIGHTH O. N. G. TO BE INSPECTED APRIL 13

Captain U. S. Wetzel, commanding Co. K, Eighth infantry, O. N. G., has received notice that the inspection of the Alliance organization by a U. S. army officer will take place Wednesday evening, April 13. This will make the inspection upon the company's regular drill night.

Wednesday evening, April 6, Major Swartz, of Canton, who commands the third battalion of the Eighth infantry, O. N. G., will be in Alliance to give a preliminary inspection.

Captain Wetzel states that all company property must be in the armory previous to the inspection. This order is imperative.

'I have been somewhat costive, but Doans Regulets gave just the results desired. They act mildly and regulate the bowels perfectly.'.—George B. Krause, 303 Walnut Ave., Altoona, Pa.

PERSONAL MENTION.

Clifford Campbell went to Springfield, Ill., Tuesday.

Leonard Hughes, of Leetonia, made a business trip to Salem Tuesday.

PILES CURED IN 6 TO 14 DAYS
PAZO OINTMENT is guaranteed to cure any case of itching, blind, bleeding or protruding piles in 6 to 14 days or money refunded. 50c.

High School Teams Practicing

Lisbon, April 5.—The Lisbon high school track team is taking advantage of the week's vacation granted the city schools and is putting in daily practice at the county fair grounds for the coming field meet. The squad is doing good work on distances, weights and vaults and the relay team, which lowered the record made by Salem's relay team four years ago, is thought to be able to clip several seconds off the fast time already hung up. Local supporters of the squad are confident that they will be able to again land the county championship.

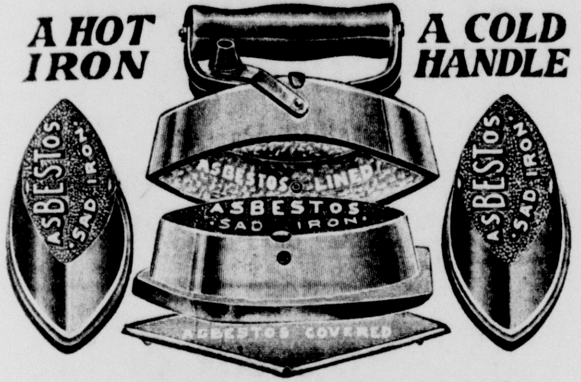
DRUGGIST.

For a few days we are devoting our show window to an exhibit of the celebrated

Asbestos Sad Irons

You should not miss seeing this display of handsome and useful tools. Asbestos Sad Irons are made in a variety of sizes and shapes designed for every laundry need, from heavy pressing to the smoothing of the daintiest fabrics.



The No. 196 Asbestos Household Set.
A complete family ironing equipment.

The feature which makes the "Asbestos" the acme of ironing convenience and comfort is an asbestos-lined hood which keeps the heat at the ironing surface and away from the hand. A boon to the housewife and a good investment for the owner of the clothes ironed. We give you a hearty invitation to come into the store and let us show you the superiority of the "Asbstos Way."

Magic 33 Problem. Can You Solve It?

	11	

Directions—

Take any of the numbers, from 1 to 17, and place them in the nine squares, on this or a separate sheet of paper, in such a way that the horizontal lines, and the vertical columns, and the diagonal lines will each make 33. A number cannot be used more than once. All answers must be mailed or handed in our store, No. 65 Main St., Salem, O., before 9 p. m., Saturday, April 9, 1910.

In cases of ties, premiums of equal value will be given to each. Contest is open to all, regardless of age or sex.

WINNERS WILL BE NOTIFIED BY MAIL.

Send your solution and name and address plainly written (be sure to write plainly) to

HERE AND THERE IN OHIO

Bits of News From Various Sections of the Buckeye State.

Cleveland, April 6.—Three-cent street railway fares on the Cleveland system have not only proved a paying venture, but promise to give a handsome surplus, according to the statement issued by the company, covering its operations for the month of March or since lifting of the receivership.

St. Clairsville, O., April 6.—A double funeral will be held at New Athens today when Mr. and Mrs. John Porter, aged seventy-five and seventy years, respectively, will be buried. Both died from measles.

Zanesville, O., April 6.—Ruth Ryan six years old, who had been blind since birth, fell two feet off a veranda at her home in Deavertown Morgan county, and was almost instantly killed.

Lorain, O., April 6.—W. E. Leach an expert pearl hunter, claims to have fished a pearl from Black river valued at $1,000. He also claims to have found several others of lesser value.

Cleveland, April 6.—Ignatius Benes, sixteen years old, hanged himself in his home here because his father would not allow him to enlist in the army.

Springfield, O., April 6.—All the union painters and decorators in the city are on a strike. They demanded thirty-three cents per hour and the same was not met.

Warren, O., April 6.—Ralph Heiler, nineteen years old, was electrocuted here while trying to disengage an electric light wire from a tree.

Curing Catarrh

Accept Our Advice and Try This Remedy at Our Risk.

Catarrh is a disease of the mucous mebrane. The mucous membrane is, one may say, the interior lining of the body. Catarrh therefore may exist in any part of the system.

When the catarrhal poison attacks the mucous membrane, inflammation and congestion are produced and nature fails to throw off the accumulated poisons. The organ which has been afflicted ceases to perform its proper function as nature intended it should. The result is, complication upon complication, which may lead to other even more serious afflictions.

We honestly believe Rexall Mucu-Tone will do wonders toward overcoming catarrh. It is made from the prescription of an eminent physician who has made a long study of catarrh, and his great success with this remedy was an enviable one.

We want you if you are a sufferer from catarrh in any form, to give Rexall Mucu-Tone a thorough trial Use it with regularity and persistency for a reasonable time, then if you are not satisfied, come back and tell us, and without question or formality we will hand back to you every cent you paid us. This is certainly the fairest offer that anyone could make and should attest our sincerity of purpose. It comes in two sizes—prices 50 cents and $1.00. Remember, you can obtain it only at our store—The Rexall Store, Floding's Pharmacy.

Dick the Only Candidate.

Columbus, April 5.—On Thursday the time for the entry of candidates for endorsement for United States senate closes. Under the Bronson law the people are supposed to express their preference for a United States senator at the coming May primary election. There will be but one candidate, Senator Dick, who has already filed petitions containing 32,000 names. He will turn in about as many more on the last day.

A specific for pain—Dr. Thomas' Eclectric Oil, strongest, cheapest liniment ever devised. A household remedy in Americafor 25 years.

TROUBLE TRAILS COL. ROOSEVELT

Methodists at Rome Startled by Latest Developments

TEDDY CALLS OFF RECEPTION

Declaring Rev. Tipple's Comment on Vatican Incident Uncalled For, the Ex-President Takes Immediate Steps to Cancel Engagement—Colonel Visibly Affected by Unpleasant Incidents Since Landing in Italy.

Rome, April 6.—It seems unfortunate that Colonel Roosevelt, who is taking a holiday as a private citizen, should have been apparently condemned by an unkind fate to be a storm center from the moment he came in touch with civilization after emerging from the peaceful security of the African jungles. Leaving Egypt with the Nationalists stirred to the danger point by his well meant exhortations, he no sooner set foot in Neples than trouble began 150 miles away in Rome.

Since Sunday night, when his first act on reaching his hotel was to announce his rupture with the vatican, that trouble has been steadily growing. While its innocent cause took a short respite from his strenuous holiday in the shape of a little sightseeing, which was unmarred save by a shudder at the sight of the vatican gardens, the storm seethed and surged all over Rome.

There were suppressed rumblings at the vatican, slight quakes disturbed the calm in the neighborhood of the American college, a cloud hung over the embassy, the reception today in honor of Roosevelt has been abandoned in alarm and a perfect tornado rages in the Methodist center.

Walls of Rome Pasted With Bills.

The walls of Rome are posted with the following bill: Papal intolerance has found a worthy response in the protestant conscience of Theodore Roosevelt, who rejected the conditions imposed as to a reception at the vatican. A solemn warning to those who cherish the delusion that the spirit of the papacy has changed."

Roosevelt's anger with the Methodists after seeing Rev. Mr. Tipple's communication was greater perhaps than with the vatican. This appears not only in his pronouncement as cabled, but was visible in his expression, audible in his voice and expressed in his action when he at once cancelled the reception at the embassy, which, it was thought, was to be general for Americans in Rome, but was really intended to be especially for the members of the Methodist mission.

The statement made by Rev. Mr. Tipple, which caused the ex-president to call off the reception, follows:

"Mr. Roosevelt has struck a blow for twentieth century Christianity. The representatives of two great republics have been the ones to put the vatican where it belongs. The vatican is incompatible with republican principles. This is a bitter dose for patriotic Catholics in America to swallow. I wonder how many doses of this sort they will take before they revolt. Is Catholicism in America to be American or Romish? If Romish, then every patriotic American should rise to crush it, for Roman Catholicism is the uncompromising foe of freedom. The world advances, but the vatican never."

Panic Among Methodists.

At the Methodist institution it is no exaggeration to say that something like a panic prevails. Mr. Tipple's statements are thrown over, and probably Mr. Tipple will follow.

Mr. Spencer, head of the college, and Mr. Clark, superintendent of the whole work of the Methodist mission in Italy, both of them superior to Tipple, who is minister of the Methodist church, emphatically point out that Mr. Tipple has been in Rome only about three months. Mr. Clark says: "Neither with my knowledge nor consent has Mr. Tipple said anything. I do not repudiate his statement, for I had nothing to do with it. It is his and his alone."

HIS PAST A BLANK

And the Cleveland Man Is Learning All Over Again.

Cleveland, April 6.—The mind of Curtis Walton, a Cleveland architect, who wandered with his mind a blank through the south four months as "Henry Lafrence," a man of mystery, is still clouded. He is beginning all over again, like a child, asking about things formerly familiar to him.

The family learned from Mobile that Walton, while unconscious of his identity, had become engaged to a Mobile girl. He has never been married.

FEARED GOING INTO COURT

Wealthy Long Island Widow Commits Suicide by Shooting.

New York, April 6.—Mrs. Bertha Beyer, a wealthy widow, who lived in a handsome residence in New Hyde park, L. I., shot herself through the heart.

It is believed that she committed suicide to escape a stringent examination by District Atteorney Coles in connection with the robbery of the Deep Dale estate of William K. Vanderbilt, Jr., several months ago.

India Interested Travelers.

India interested the members of the Travelers' club at their regular meeting Tuesday afternoon in the rooms of the Business association. After the preliminary business Mrs. W. B. Carey was elected to fill a vacancy in the membership.

Current events were read by the vice president, Mrs. C . C. Gibson read "Halley's Comet," and the following program was given: "Bombay and the Island of Elephants,' Mrs. George Shepard; "The White Man's Burden," Mrs. J. R. Oliphant, and the shorts sketches, "Fakirs, Snake Charmers, Conjurors," Mrs. H. C. Boyle; "Akbar and His Tomb," Mrs. Clyde McKee, and "A Reading From Stoddard," Mrs. H. K. Green.

Seventh Anniversary.

The Sons of Vetrans auxiliary will celebrate their seventh anniversary Thursday evening in G. A. R. hall on Chestnut street. A program of speaking, music and refreshments has been provided to which the G. A. R., Woman's Relief corps, S. of V. and their families have been invited. The Youngstown S. of V. and auxiliary have been invited and a number are expected from neighboring places.

"Children's Charities."

Miss Minnie Goldthwait, of Columbus, spent Wednesday in Salem in the interest of the "Children's Charities," a publication in the interest of child helping work and the official organ of the National Children's Home society. The magazine is published in the interest of child labor reform, juvenile probation, children's hospitals and homes, homes for homeless children and fresh air camps and playgrounds.

Will Wed This Evening.

This evening at 5 o'clock, at the home of Rev. E. E. Whittaker, on Lincoln avenue, Miss Ada Zimmerman will become the bride of Simeon A. Shive.

After the ceremony the newly married couple will go to the home of the bride's parents where a supper will be served, the brothers and sisters being the only guests.

Miss Zimmerman is the youngest daughter of Mr. and Mrs. Jerry Zimmerman, of the Depot road. Mr. Shive is a well known carpenter and also lives south of town on the Depot road.

Special Boat for the Elks.

A special boat will run between Cleveland and Detroit July 11 for the benefit of the Elks who wish to go by water to their convention which will be held in Detroit

This boat will have all the comforts and modern conveniences and will be in addition to the regular boats plying between these two points.

Licensed to Wed.

Lisbon, April 6.—Judge Farr this morning issued the following marriage licenses:

Perry A. Kelley, East Rochester, and Hallie Summers, Bayard.

Clarence E. Robinson, Wellsville, and Stella M. Braden, East Liverpool.

S. A. Shive and Ada B. Zimmerman, Salem.

Will Assign "Toyland" Parts.

The Misses Moorehead will assign parts in "Babes in Toyland" Thursday evening. A number of local singers will take the leading parts and several choruses will also be trained for the production, which will be given April 28-29 for the benefit of the Home for Aged Women.

Pleasing Hop at Calumet.

Although there were only about 25 couples present, those who attended the dance given byy Mrs. Harold Babb in Calumet hall Tuesday evening formed a jolly crowd and the dance was a success as far as pleasure was concerned. Gilson & Brickner's orchestra furnished music from 8 to 11:30.

Pythian Sisters Guests.

Tuesday evening the Pythian Sisters held a special meeting to ballot on candidates. Thursday afternoon and evening the Columbiana and Leetonia lodges will be guests of the local organization and after supper the state inspector will view the work of the order.

P. O. Theater Party.

Scott Chisholm, substitute carrier at the local postoffice, entertained his fellow employes at a theater party at the Highland Tuesday evening. There are about 40 persons, including the wives of the force.

Attended Club Meeting.

Mrs. Ernest Whitacre, of this city, was an out-of-town guest present at the meeting of the Narcissus club, of Alliance, which met Monday evening with Miss Mary M. Auld.

M. E. Missionary Meeting.

The Woman's Foreign Missionary society will meet Thursday at 2 p. m. at the home of Mrs. W. H. Matthews, at 59 N. Union street.

Entertained Division Seven.

Mrs. L. B. Sanor, of Franklin ave entertained Division Seven, of the Christian church, Wednesday afternoon.

W. W. Beck, of the Herald, is on the sick list.

Showered Miss Edwards.

Sixty girl friends of Miss Millie Edwards surprised her Tuesday evening at her home on Broadway and showered her with miscellaneous articles. The shower of china, glass and graniteware was in anticipation of Miss Edwards's marriage to Charles Moff, of Franklin avenue, which will be an event of the near future.

The company spent a jolly evening. Piano solos by Miss Bernice Morgan and vocal solos by Miss Bertha Hirsch contributed to the occasion. A delicious lunch was served and the friends hope to be invited to the wedding, the date of which they are in ignorance.

ANOTHER GOOD WELL DRILLED IN

Another good gas well was drilled in Wednesday morning in the Damascus field. This well is located on the J. R. Naylor farm and is about 350 feet northeast of the producing well on the M. S. Atkinson farm, and is about 1¾ miles northwest of Damascus, near Naylor's crossing on the Stark Electric.

The sand was reached at a depth of 600 feet, just a little deeper than the Atkinson well.

MRS. FORBUSH FILES A SUIT FOR DIVORCE

Charging her husband with extreme cruelty for alleged profanity he used toward her and with gross neglect for failure to provide, Grace Forbush has filed a petition in the Mahoning county courts at Youngstown for a divorce from her husband, James H. Forbush. Mr. and Mrs. Forbush resided in Salem for a time, having removed to Youngstown but a few months ago.

DR. CRAFTS SPEAKS HERE FRIDAY EVENING

Dr. Wilbur F. Crafts, of Washington, D. C., head of the National Reform Bureau, will speak before a Salem audience Friday evening at the Presbyterian church under the auspices of the local Civic league. His subject will be, "A World Wide Battle With The Four Evils".

MURDER SUSPECT TAKEN

Police of Springfield, Mass., Think They Have Caught Masked Slayer.

Springfield, Mass., April 6.—The police made what they consider an important arrest when they took into custody, on suspicion of being the slayer of Miss Martha Blackstone, a man aged twenty-eight years, who, the detectives assert, answers the description of the masked burglar who has been pursued for nearly a week by bloodhounds and detectives.

The man under arrest is Bertram G. Spencer of West Springfield, receiving clerk for a wholesale produce dealer.

Some Mahoning Enumerators

Among the census enumerators appointed for Mahoning county are the following, in precincts near Salem: Harry M. Allen, Ellsworth township; William R. Ovington and Stanley G. Howard, Goshen township; Ira A. Schnurrenberger and C. C. Pettit, Green township; Ruby H. Johnston, Sebring, and Walter A. Forney, Beloit.

Surprised by the G. A. R.

The W. R. C. at their regular meeting Tuesday evening initiated five candidates into the order.

At the close of these exercises the corps was taken by surprise by the members of the G. A. R., who had planned a surprise on the ladies. A fine lunch was served and the evening was spent with music and games. Several short addresses were made.

Instructed the Assessors

Lisbon, April 6.—Thirty-eight assessors met this morning with Auditor Cobourn and were given supplies and instructions for making the annual assessment of personal property in this county. The meeting was extremely interesting as various points raised by the assessors were discussed and questions answered by the auditor.

BALLOON POMMERN.

Ill-Fated Air Craft in Which Three Aeronauts Met Death.

THE DEATH RECORD

Nathan M. Kirk.

With funeral services at the Friends' meeting house at Mosk, the body of the late Nathan M. Kirk was interred in the burying grounds, near there, at 10 a. m., Wednesday.

Mr. Kirk died Monday from dropsy, after a lingering illness. He was a well known farmer of Columbiana county and had lived for many years on his farm near Mosk. He was known as the tallest man in the county. He is survived by his wife, formerly Miss Mary Morlan, of near Salem, and six children, three sons and three daughters.

RUNAWAY BOYS WERE CAPTURED

(Continued From First Page.)

Whitaker had punished them frequently, they said, because they had apparently failed to perform their work. They said nothing about their trouble to the superintendent. All of the boys suffered from the hard trudging and exposure, John Kale being unable to wear his shoe on account of a painfully blistered heel. Supt. Lupher, of the Fairmount home, was present at the trial.

The court sentenced Kale, Helms and Hamilton to the industrial school at Lancaster but suspended sentence on their promise of good behavior at the children's home. Galloway, who proposed the trip and acted as leader, was sent to the detention home here where he will be kept for some days until the court has had a chance to investigate his case.

REAL SIGNS OF PROSPERITY

Sugar Trust and Massachusetts Railroad Company Raise Wages.

New York, April 6.—At a meeting of the board of directors of the American Sugar Refining company it was decided to increase the wages of all the factory employes of the company in the refineries at Boston, Jersey City, Brooklyn, Philadelphia and New Orleans. Secretary Heike would not state the figure of the additional outlay which the increase will cause the company.

Boston, April 6.—Every employe of the Boston, Revere Beach and Lynn railroad received an announcement of an increase of 5 per cent in his wages. The raise was voluntary and is the third advance since 1903, making the present scale of wages about 20 per cent higher than seven years ago.

NEW WATERFORD

New Waterford, April 6.—Carter's Carolinian jubilee singers gave a concert at School hall last evening to a good sized crowd. The piano playing of W. R. Carter and the basso singing of J. Manning were features of the occasion, and the imitation of a calliope by members of the troupe brought down the house. The troupe is an excellent one and their singing was thoroughly enjoyed by the audience. The concert was given under the auspices of the Ladies' Aid society of the Presbyterian church.

Mrs. Solomon Vollnogle, who fractured her hip some time ago, is not improving very rapidly. Her son, Jerry, of Warren, was visiting her Sunday.

Perry Uncapher, who conducts a jewelry store at Van Wert was visiting relatives here yesterday.

Some miscreant broke a street lamp in front of the Methodist church, also one in front of Dr. D. M. Bloom last Saturday night. Investigations are in progress and it the parties are found out they will be given the full extent of the law.

George Brain and family are preparing to move to Flushing.

HIGH NOTE WAS COSTLY

Girl Soloist Gets There, But Her Hat Hits Gas Jet.

Honesdale, Pa., April 5.—In an endeavor to reach a high note while singing a solo in Grace Episcopal church, Miss Minnie Smith, a beautiful young society leader, struck her head against a lighted gas jet, igniting a large picture hat.

Immediately the plumage of the Easter finery was a mass of flames. The congregation became excited and a panic was narrowly averted. The soloist cooly removed her headgear and handed it to one of the male members of the choir, who hurriedly carried it outside, but too late to save the confection.

Catarrh Germs

Move Out When Hyomei Moves in.

No stomach dosing. Hyomei is made chiefly of oil of eucalyptus forests of inland Australia, and combined with the excellent antiseptics employed in the listerian system .

In inland Australia the atmosphere is so impregnated with balsam thrown out by the eucalyptus trees that germs cannot live, and in consequence catarrh and consumption are unknown.

Breathe Hyomei and get the same pleasant germ killing air as you would get in the eucalyptus forests.

Hyomei is sold by druggists everywhere and by Bolger & French and Floding's Pharmacy at $1.00 a complete outfit.

An outfit consists of a bottle of Hyomei, a hard rubber pocket inhaler and full instructions for use. The inhaler lasts a lifetime, but if you need another bottle of Hyomei you can get it at druggists for only 50 cents at any time. Guaranteed to cure catarrh, croup and throat troubles or money back. Booth's Hyomei Co., Buffalo, N. Y.

MI-O-NA
Cures Indigestion

It relieves stomach misery, sour stomach, belching, and cures all stomach disease or money back. Large box of tablets 50 cents. Druggists in all towns.

Salem Public Library open every day from 1 to 8 p. m. Saturdays from 1 to 9 p. m.

LOCAL MENTION

F. J. Senften is reporting for the Herald.

S. J. Mickley made a business trip to Cleveland Wednesday.

Robert Atchison went to Cleveland Wednesday for a few days' business trip.

Miss Maggie Flanigan went to Cleveland Wednesday to spend the day.

Mrs. Paul Schaffer, of Gillitzin, Pa., was in Salem on business Wednesday.

Herbert Wright, of West Main street, is employed at Trotter's grocery.

Supt. J. S. Johnson went to Cleveland Wednesday to visit friends for a few days.

Mrs. L. W. Galbreath and daughter, Miss Myra, of Leetonia, spent Tuesday in Salem.

Mrs. Rose Weisman and children Went to Pittsburg Wednesday to visit relatives for a week.

Mrs. W. D. Sigler, of Lincoln avenue, left Tuesday for a visit with relatives in Oklahoma.

Mrs. H. W. Reynard and son, Cloyd Wesley, of Green street, are visiting in Ashland and Lorain.

Harold Steiner, of Lincoln avenue, went to Pittsburg Wednesday to visit relatives for a few days.

Mrs. W. H. Koll, of Lincoln avenue, went to Pittsburg Wednesday for a few days' visit with relatives.

Murray Scott, of West High street, left Wednesday for Lisbon where he will visit the remainder of the week.

Miss Anna Matthews, of Alliance, is a guest at the home of her brother, W. J. Matthews, of Franklin avenue.

Ralph Yengling, Mark McCave, Samuel Willaman, Carl French, Walter French, Walter Augustine, Roy Shelton and Fred Montgomery returned to Ohio State university at Columbus, Wednesday, after spending the spring vacation at their homes.

BELIEVE IT MEANS THE RETIREMENT OF CREAMER

Columbus, April 6.—Leading Democrats are wondering whether or not in view of the disclosure that State Treasurer Creamer charged the state with his personal expenses while in the office of state fire commissioner that it would be good politics to renominate him and there is a possibility that he may be left off the ticket. His friends regret the predicament into which he has been placed.

Special Census Agent Here

A special agent of the federal census bureau is in Salem this week taking the industrial census.

This census is taken every 10 years and is really a part of the federal census, which local enumerators will take here, but the intricacies of the manufacturing industry require an expert in this line and these agents are sent out to do this confidential work.

The local enumerator will only need to return the industry and it will be added to the report of this special agent.

Do You Get Up With a Lame Back?

Kidney Trouble Makes You Miserable.

Almost everyone knows of Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because of its remarkable health restoring properties. Swamp-Root fulfills almost every wish in overcoming rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night.

Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble, it will be found just the remedy you need. It has been thoroughly tested in private practice, and has proved so successful that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all druggists. Don't make any mistake but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Home of Swamp-Root.

BIG EXPLOSION EXPECTED TODAY

Names of "Men Higher Up" in Pittsburg Scandal Due

ONE BRIBE GIVER CONFESSES

Startling Revelations Promised With Lifting of Lid in Councilmanic Graft Case—Former Bank Examiner Folds in Pittsburg to Give Evidence. Morris Einstein Makes Complete Confession to Grand Jury.

Pittsburg, April 6.—Plot and plotters are expected to be revealed today, when the lid of the councilmanic graft investigation is scheduled to be blown off. A presentment from the grand jury is expected some time today and informations are to be made against men prominent in the financial world on charges of giving bribes to secure institutions as city depositories in 1908.

District Attorney William A. Blakeley is ready to move against the men alleged to have furnished the money, and developments, it is said, will be the most sensational of the entire investigation.

Mr. Blakeley held a long conference with William L. Folds, former national bank examiner for this district, now connected with a Philadelphia bank, and it is said that Mr. Folds will go before the grand jury. The latter has been brought here to tell all he knows about the city depositories, which he examined when on duty for the government here.

Charles W. Friend, a son of James W. Friend, deceased, pleaded nolo contendere before Judge Robert S. Frazer to paying former Councilman Charles Stewart a $500 bribe. The money was for influence to secure the passage of an ordinance allowing the Clinton Iron and Steel company to construct a bridge across West Carson street. Friend is a director of one of the banks involved in the present councilmanic investigation. The court made no disposition of the case.

Laying bare all the secrets of which he alone was the possessor and which concerned the men, said to be pillars of finance in the community, who actually furnished a portion of the money by which votes of Pittsburg councilmen were bartered and bargained for, Morris Einstein, select councilman from the Twenty-fifth ward, made a full and free confession.

Einstein is the man whom the grand jury in a recent presentment specifically charged with having received $20,000 from the Workingman's Savings Bank and Trust company of Allegheny for distribution among the civil solons that their votes might be cast in favor of selecting the institution as one of the six city depositories.

Following his statement to Mr. Blakeley Einstein went before the grand jury and there retold the sordid tale of how the bribe givers furnished the money with which the votes were bought.

Then to make his surrender more complete he wrote his resignation as a member of council and handed it to the court then and there.

SENSATIONAL TURN IN SUBSIDY INQUIRY

Criminal Libel Charged Against Marine League Officer

Washington, April 6.—A sensational turn was given the house inquiry into the ship subsidy scandal when John A. Penton, secretary of the Merchant Marine league, was arrested on an indictment for criminal libel on charges preferred by Representative Steenerson of Minnesota, author of the resolution under which the Olcott special committee is investigating allegations that two lobbies are at work, one to further subsidy legislation and the other to put obstacles in its way. Mr. Penton was taken into custody by two local detectives. He was conducted to the office of the United States attorney, where he gave bail in the sum of $500.

Mr. Penton is charged with criminal libel in connection with certain editorials appearing in the December issue of the American Flag, the official organ of the Merchant Marine league.

The indictment recites that Mr. Penton impugned the integrity of Representative Steenerson, who is an opponent of subsidy legislation.

* * *

Bill Aimed at Cold Storage.

Senator Lodge has prepared a bill, which, it is understood, will be recommended to congress by the select committee investigating high prices of commodities, which will require the labeling of all foodstuffs placed in cold storage to show the date when placed in storage. The bill also enacts that articles that have been in cold storage for more than a year shall be deemed to have been adulterated within the meaning of the food and drugs act.

Many Girls Hurt in Panic.

Chicago, April 5.—Twenty or more girls were injured in a panic which followed the bursting of a steam pipe in the basement of the Central Steam Laundry company.

Appendicitis

How to Avoid It and Escape a Surgical Operation, Told by One Who Knows.

A Simple Method That is Always Efficacious—Trial Package Free.

It has only been a few years since it was discovered that a surgical operation would cure appendicitis; in fact, it has been but a short time since the disease was discovered and named.

Whenever there is an inflamed condition of the appendix, caused by impacted faeces in the small cavity opening into the intestine, you then have appendicitis.

The older doctors used to call this inflammation of the bowels, and were puzzled to know the cause.

Even now, with all the knowledge we have of the disease, no medical man can tell you why we should have an appendix, why we find it where it is, or what are its functions, if it has any.

The disease for which the operation is a cure is usually caused by indigestion, and in many cases follows a large and indigestible meal.

Physicians have until recently recommended an operation, but now, as it is known that it is caused by indigestion, or dyspepsia, a cure without an operation is assured.

Where the patient is treated with Stuart's Dyspepsia Tablets, the unhealthy conditions prevailing rapidly disappear, the stomach and intestines are placed back in their normal condition, every organ of the body operates as it should, and the inflammation is reduced and the operation avoided.

Conscientious physicians, who are looking after the best interests of their patients, will always keep a supply of Stuart's Dyspepsia Tablets handy in their office, where in cases of sudden attacks of indigestion they can relieve the patient at once.

There is no record of a case of appendicitis where the stomach and bowels were in a healthy condition and properly digested the food from meal to meal.

No better advice can be given to any one who has attacks of indigestion, or who has been threatened with appendicitis, than to tell him to go to the drug store, pay 50 cents, and take home a package of Stuart's Dyspepsia Tablets.

Whenever heartburn, gas in stomach or bowels, heart disease or stomach troubles, sour eructations, acidity or fermentation are present, act at once. Take a dose of the tablets and get relief as soon as possible.

At all druggist—50 cents.

Send us your name and address today and we will at once send you by mail a sample package free. Address F. A. Stuart Co., 150 Stuart Bldg., Marshall, Mich.

GETTYSBURG

Gettysburg, April 5.—Cooke Shepherd, of Salem, visited at Peter McCave's, Sunday.

E. W. and Mrs. W. H. Coy were recent callers here.

Miss Nora Godward, of New Albany, visited Mabel Coy last week.

Chas. Yeager, of Clarksville, was a caller here Sunday.

L. A. Coy has had an acetylene light plant installed in his residence.

Mrs. Geo. Godward, of New Albany, visited here Saturday.

Hazel Segesman, of Salem, was here Sunday.

John Callahan and Bert Clay helped James Giddings move his household goods from Caila to Greenford.

Little Ina Kindig has been confined to the house with sickness.

Frank and Guy Rhodes were in Salem, Saturday.

Wm. Coy and family, of Scrabble were visitors here recently.

Take Hall's Family Pills for constipation.

PATTEN DROPS FORTUNE

Combine of Speculators and Bad Weather Drains Wheat King.

Chicago, April 6.—James A. Patten, king of the wheat pit, lost a fortune in the cotton market. It is estimated that his losses will be $500,000 and may reach $1,500,000.

A reported combine of speculators in Liverpool and New York working against him, with the heavy rains in the south, is said to have caused the enormous loss to Patten and his crowd.

Dyspepsia is our national ailment. Burdock Blood Bitters is the national cure for it. It strengthens stomach membranes, promotes flow of digestive juices, purifies the blood, builds you up.

The pike is better provided with teeth than any other living creature. It has teeth all over its upper and lower jaws.

Strength comes from well digested and thoroughly assimilated food. Hood's Sarsaparilla tones the digestive organs, and thus builds up the strength. If you are getting "run down," begin taking Hood's at once. It gives nerve, mental and digestive strength.

BRIBE PROBE TO SOON COMMENCE

Representatives Winters and Pears First Witnesses

COMMITTEE WILL SEEK LEAD

Ohio Senators Who Have Announced They Were Approached by Lobbyists in Connection With Elson Bill Will Give Information—Governor Harmon Not to Be Called to Give Testimony.

Columbus, O., April 6.—When the Elson bribe probe committee gets down to actual business the first step will probably be the hearing of Representative C. B. Winters, Democratic house leader, who says he was offered "anything he wanted" by some prominent political lobbyists if he would support the Elson bill, and Representative Howard Pears of Lima, who says advances were made to him by lobbyists.

The committee will then follow up such leads as may develop. The committee members denied a report that Governor Harmon would be summoned to appear before the committee, saying that the governor has already been asked by legislative reason to furnish such information as he may have.

Attorney J. J. Sullivan will make his headquarters here during the investigation and will be practically the director of it.

After the Elson telephone merger bill as passed by the house had been made a special order for today the senate repented and reconsidered.

Senator Huffman made the motion to consider the bill at today's session and Senator Clevenger, a few minutes after favorable action had been taken, made the motion to reconsider.

By a vote of 17 to 11 the senate sent the Woods utilities bill to the committee on commercial corporations instead of the railroad committee.

WILL NOT REIMBURSE STATE UNLESS FORCED

Former Fire Marshal Rogers Admits Certain Expenses

Columbus, O., April 6.—W. S. Rogers of Cleveland, who from June 4, 1908, to June 4, 1909, was state fire marshal under appointment of Governor Harris, admitted on the stand before the Beatty state probe committee that he had expended $416.20 for railroad fare and other expenses in traveling between Columbus and Cleveland where he resided during his term of office.

He presented these bills and a hotel bill for $402.90 while in Columbus under a decision rendered by Attorney General Sheets and said he would not reimburse the state until the courts decided that they were illegal charges.

Attorney Booth conducted the examination of Rogers and delved into the connection of Henry D. Davis with the office of state fire marshal under the Rogers administration. Rogers testified that he had paid Davis a fee of $20 a day for his services as an attorney and that Davis was not on a salary, although it was shown that on four successive months Davis had been paid $200.

HIGHER WAGES DEMANDED

Employes on Roads Entering Cincinnati Want More Coin.

Cincinnati, April 6.—Demands for higher wages and changes in working conditions have been made on nearly all of the important roads entering Cincinnati. Committees representing the Order of Railway Conductors and the Brotherhood of Railway Trainmen conferred with managers of the Cincinnati, New Orleans and Texas Pacific and the Cincinnati, Hamilton and Dayton roads and presented demands for increased wages and changed working conditions.

Members of the Brotherhood of Locomotive Firemen and Engineers employed by the Baltimore and Ohio Southwestern road presented demands for an increase in wages and changes in working conditions. A committee representing 900 swithchmen in the Cincinnati district also presented demands for increased wages. Further conferences will follow.

LONGWORTH FOR GOVERNOR?

Foolish, Foolish Talk Says George B. Cox, Cincinnati Boss.

Cincinnati, April 6.—The local Republican organization today circulated petitions renominating Nicholas Longworth, son-in-law of ex-President Roosevelt, for congress in the First Ohio district and Herman P. Goebel in the Second district.

It is not probable that either congressman will have opposition at the Republican primaries, which will be held on May 17. George B. Cox, head of the local Republican organization here, said all of this talk of Longworth for governor of Ohio is foolish. He does not desire the nomination and is ready to serve another term in congress.

Answer This Question

When a remedy has lived for over thirty years, steadily growing in popularity and influence, and thousands upon thousands of women declare they owe their very lives to it, is it not reasonable to believe that it is an article of great merit?

We challenge the world to show any other one remedy for a special class of disease which has attained such an enormous demand and maintained it for so many years as has **Lydia E. Pinkham's Vegetable Compound,** the famous woman's remedy for woman's ills. Unless it is a very good medicine and the claims made for it are honest, such a record would have been impossible—fraud or misrepresentations would long ago have been detected and the business gone into oblivion. Read this unsolicited letter:—

Corry, Pa.—"I am happy to write you about the benefit I received from Lydia E. Pinkham's Vegetable Compound. Before my marriage two years ago, I suffered something awful every month with pains and other distressing symptoms, and I took Lydia E. Pinkham's Vegetable Compound in dry form. Since then I have never been troubled with pain, not even a dull backache or headache, and it has helped me a good deal before childbirth. I recommend your medicine wherever I go." —Mrs. E. E. Ross, 112 E. Church St., Corry, Pa.

When a woman like Mrs. Ross is generous enough to write such a letter as the above for publication, she should at least be given credit for a sincere desire to help other suffering women. For we assure you there is no other reason why she should court such publicity.

We say it in all sincerity and friendship—try this medicine.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

☞ **Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.**

COMMISSIONERS ORDER PURCHASE OF SUPPLIES

Lisbon, April 5.—The county commissioners held their regular meeting yesterday afternoon. Commissioner Walker was absent on account of illness. They authorized Auditor Cobourn to purchase loose-leaf binders for county maps from the company making the best bid in a competition that has been in force for the past week. The cost of these binders must not exceed $290. They will be used to contain the sectional maps now being prepared for each township and will be kept so that the public may have access to them in the county auditor's office.

Upon request of the Butler township trustees, iron crossings were purchased from the Good Roads Machine Co., of Pittsburg, at a total cost of $190. Other matters of routine nature were disposed of.

WAGE SCALE SIGNED IN OHIO DISTRICTS

Miners and Operators Agree on Terms

Columbus, O., April 6.—With National President Lewis here, state miners' officials and operators of Pittsburg vein No. 8 district and Hocking Valley district signed a wage scale for the next two years in accordance with the agreement reached last week at the Cincinnati conference.

President Lewis announced that scales had been signed for the next two years also in the Guernsey, Tuscarawas and Columbiana districts and that scales probably would be signed within a few days for the Jackson, Massillon and Crooksville districts.

The action practically assures the end of the shutdown in Ohio mines, all of which will probably be in operation before the end of the month.

DOMESTIC WOES OF NEVIUS

Aired in Court at Springfield, O. Tells Sad Tale.

Springfield, O., April 6.—The domestic troubles of William Nevius found their way into court when he filed an affidavit againt William Taylor, his father-in-law, charging assault and battery.

Nevius alleges that he stooped over to kiss his baby and that Taylor struck him over the head, knocking him down. Nevius returned home several months ago to find his wife and baby gone. He went to their home, but was refused permission to see either. He called upon the police and Sergeant Lawless accompanied him to the house, but Mr. and Mrs. Taylor refused to let Nevius see his wife He made another attempt a few days ago, accompanied by a policeman, to talk with his wife, and was required to speak to her through a closed door, the parents-in-law refusing to allow him to see his wife.

AGAINST HER WILL

Wood Compelled the Detroit Heiress to Wed Him, It Is Charged.

Cleveland, April 6.—Charges that Charles Wesley Wood, draughtsman, of Detroit, compelled Laura Smythe, aged seventeen, an heiress to a large fortune, to wed him against her will, are contained in a petition to annul the marriage filed here by Frederick Osborne Smythe, uncle.

The girl is a daughter of James Smythe of Lansing, Mich. The petition charges that Wood compelled the girl to marry him that he might share in the $600,000 estate she is to inherit. Wood is twenty-four years old.

Two Babies Born to Riches.

Berlin, April 6.—The Countess Scherr-Thoss, formerly Miss Muriel White, daughter of the former American ambassador to France, has given birth to a daughter.

London, April 6.—A son was born to the wife of Admiral Beatty, formerly Ethel Field, a daughter of the late Chicago merchant, Marshall Field.

A Blow in the Back.—An overcoat is a necessary nuisance and the tendency to take it off on warmish days in late autumn and winter is as strong as it is unwise. A treacherous wind hits you in the back and the next morning you have lumbago. Rub well and often with Perry Davis' Painkiller and you will be astonished to find how quickly all soreness is banished.

S.S.S. UNEQUALED FOR BAD BLOOD

Normal, healthy blood contains millions of tiny red corpuscles, which are the vitalizing and nourishing element of the circulation. These corpuscles are constantly forming in healthy systems by the extraction of nutriment from food eaten, and this nourishment is then supplied through the circulation to every portion of the system. Any system which does not receive the proper amount of blood nourishment is not prepared to withstand the countless disorders that assail it. Bad blood can not nourish the body, the circulation must be pure, rich and strong if we would enjoy good health. Bad blood manifests itself in various ways. With some it takes the form of skin diseases and eruptions, others become bilious and malarious, with sallow complexions, torpid liver, etc. If the germs and impurities in the blood are of a more virulent nature then bad blood becomes more serious and produces Rheumatism, Catarrh, Sores and Ulcers, and like troubles. Nothing equals S. S. S. for bad blood. It is Nature's own blood purifier, made from roots, herbs and barks. It goes into the circulation and removes every impurity or poison, strengthens and enriches the blood, and in this way supplies the body with the proper amount of nourishment to maintain good health. S. S. S. is likewise the finest of all tonics and while purifying the blood builds up every portion of the system. S. S. S. cures every ailment coming from bad blood, and it does so simply because it purifies the circulation. Book on the blood sent free to all who write.

THE CENTAUR COMPANY, 77 MURRAY STREET, NEW YORK CITY.

ROBBERS LOOT BANK; KILL TWO PERSONS

Manager and Cashier Shot and Killed

Pittsburg, April 6.—George and Nicol avenues, Schoenville, known as "Bloody Angle" during the big steel car strike, was the scene of another fatal battle last night when four highwaymen entered the Victor bank, killed the general manager, fatally wounded the cashier, who died soon after; seriously wounded a bystander, shot another man and escaped with $500.

Four men entered the bank while Freedman and Schwartz were at work. Schwartz was standing in the front of the room behind the cashier's window, while Freedman was in the back of the place near the vault.

Without a word one of the highwaymen drew a revolver and shot Schwartz twice through the head. The men then reached under the screen and took all the money on the counter, the amount being estimated at about $500.

Freedman, at the first shot, procured his revolver and rushed to the front of the bank after the robbers. They saw him coming and ran from the place, the manager in hot pursuit. When Freedman reached the street one of the bandits turned about and shot the banker through the breast.

He fell on the car tracks in George avenue, but the highwaymen, not being satisfied with his work, fired three more shots at the fallen man.

RIOT OVER HIGH PRICES

Hot Time in Crowded Tenement District of New York City.

New York, April 6.—The upper Eastside bred a small but decidedly thriving riot in the crowded tenement section on account of the rise in the price of kosher meat.

Last week steak was selling at 14 cents a pound. Then it advanced to 16 cents, but the climax came when the butchers in the neighborhood announced a rise to 18 cents a pound. So great was the excitement that one man was hurt in a fighting, screaming mob of 500 men and women, and things got to such a pass that the police had to be called out.

Any skin itching is a temper tester. The more you scratch the worse it itches. Doan's Ointment cures piles, eczema—any skin itching. At all drug stores.

UNITARIAN.

God's Fellow-Workers.

Those who deny to men the title of "God's fellow-workers" are under the influence of that system of theology which declares that all human beings are born under a curse, and are naturally sinful and at enmity with God. But could we think of God as being wise if the workers whom he sent into his world were naturally incapacitated for the doing of his work? Impossible! He has given us the requisite capacity: he does not mock us by requiring us to perform a task of which we are incapable. You can be one of God's fellow-workers if you will. Will you?

For free literature address Rev A. Irvine Innes.

UNITY CHURCH, SALEM.

DID NOT SUBMIT BUDGET

(Continued From First Page.)

Safety Director George Hack appeared before the body and requested that he be given permission to sell the sorrel horse owned by the city, as he believes he can dispose of it and buy one that will be suitable for less money. He was authorized to use his own judgment in disposing of the animal.

Old Car Left Tracks.

While being taken from the car barn to Garfield avenue early Wednesday morning, the old Garfield avenue street car jumped the track on Main street in front of Bova's fruit store and was stopped by striking against the curbstone. Another car was hitched to it and with a jerk it landed on the other side of the street. The car was finally towed back onto the tracks in safetly. slight damage having been done.

Fair Grounds Leased.

Lisbon, April 6.—The Lisbon Driving club last evening completed a lease on the Columbiana county fair grounds here for the season of 1910. Race meets will be held on Decoration day and July 4. Matinees among the members of the club will be held frequently during the season. Preparations are also made to have large numbers of horses entered at the July 4 meeting, which will this year probably be a two-day affair.

Clean-up Day in Lisbon.

Lisbon, April 6.—This is clean-up day in Lisbon, four or five teams being engaged in hauling away the rubbish collected. The citizens responded very generally to the call to clean up their properties and the streets and alleys are also being given a thorough scouring. It is hardly expected that all the work laid out can be finished in one day.

More Room Needed for Records.

Lisbon, April 6.—The mass of documents and records in the commissioners' and auditor's offices having outgrown the space allotted to them, Auditor Cobourn is preparing a room in the unused third floor of the county court house for their reception. The mass of records are valuable and must be kept where they will be easy of access.

Relief Payment Large.

In February, the relief fund of the Pennsylvania lines west of Pittsburg paid out a total of $54,184.80, of which $18,500.00 were for the families of members who died, and $35,684.80 for members unable to work. The sum of $7,584,914.91 represents the total payments of the relief fund of the Pennsylvania lines west since it was established in 1889.

New Son at Mayor's Home.

Lisbon, April 6.—Mayor J. H. Hinchliffe is this morning passing out cigars to his many friends, the occasion being the arrival of a fine baby boy at the Hinchliffe home. Mother and son are doing well.

To Arrange for Convention.

Columbus, April 6.—The Republican state central, committee meets in Columbus Wednesday afternoon to fix the time and place for the Republican state convention. It will be held in Columbus late in July or August.

City in Darknes s Temporarily.

A portion of the north and east sides of the city was in complete darkness Tuesday night owing to a breakdown at the lighting plant.

LATE AFTERNOON BRIEFS BY WIRE

Missouri Cities Democratic.

By United Press.

St. Louis, Mo., April 6.—(Special.)—Returns today show that four out of five cities of Missouri holding elections yesterday went Democratic. Kansas City went Republican.

Illinois Voting Wet.

By United Press.

Chicago, April 6.—(Special.)—The result of the liquor election held in 260 cities and towns of Illinois was apparently a sweeping victory for the wets. The drys carried very few new towns while a number of cities that two years ago went dry voted wet yesterday.

Socialists Win in Milwaukee.

By United Press.

Milwaukee, Wis., April 6.—(Special.)—The greatest victory ever achieved by Socialism in the United States, is the way the members of that party today characterized the election of Emil Seidel. Socialist mayor of Milwaukee, by the largest majority ever polled by a mayoralty candidate in Milwaukee's history. The Democratic candidate ran 8,000 votes behind Seidel and the Republican 16,000 behind.

The wet and dry elections throughout the state resulted in an even break for the two sides.

Five Suspects Arrested.

By United Press.

Pittsburg, Pa., April 6.—(Special.)—Five suspects are today under arrest in connection with the bold bank robbery at McKees Rocks. Every suspicious character is being rounded up by the authorities, who are confident of getting the right parties by night.

SUES FOR $15,000 PERSONAL DAMAGES

Lisbon, April 6.—J. S. Bryant, of Salem, has filed a petition in common pleas court against the W. H. Mullins company, of that city, in which he seeks to recover the sum of $15,000 as damages for injuries received while he was employed at the company's plant. The plaintiff alleges that he was employed at by the company as a saw filer and that it was his duty to sharpen band and circular saws. On February 15, 1910, he was using a planing machine when his right hand was jerked into the knives and he lost the three larger fingers of the hand. He alleges that the planer was not equipped with shields or guards and that by reason of the company's neglect in this matter his injuries resulted. He also alleges that at the time of the accident he was 24 years of age and capable of earning $3 per day. He states that by reason of the pain and injuries he has received that he has been damaged in the sum set forth above and asks judgment in this amount. Attorneys W. S. Anderson & Son, of Youngstown, represent the plaintiff.

THE "WET" BAKER BILL DEFEATED IN SENATE

Columbus, April 6.—The "wets" received another clout when the senate, by avote of 14 to 13, defeated the ate, by a vote of 14 to 13, defeated the Baker bill to limit the jurisdiction of mayors to their own municipalities. The object of the measure was to take away from mayors in "dry" towns the right to stop the sale of liquor in territory outside the corporate limits and within the four-mile zone in which mayors have authority. Senator Duvall, of Jefferson, made an able argument against the bill. He asked if a single instance could be shown where any person had suffered because of this authority of a mayor.

BURNING SLACK PILES WILL BE DYNAMITED

Lisbon, April 6.—City Solicitor Connell has received word from B. S. Ambler that the burning slack piles on the Ambler farm, west of Lisbon, will be destroyed with dynamite at once. William Dunn, a practical miner and an expert on explosives, of Salem, has been secured to direct the blasting.

Mr. Ambler's prompt attention to the matter is very gratifying both to the city officials and citizens in general.

Amos Hippley, who is working for Henry Templin in Goshen, was home the first of the week.

Mrs. George Godward was a caller in Gettysburg, Saturday.

Ada Hippley was a Gettysburg caller, Sunday.

ELECTION RIOTS AT DANVILLE

Uncle Joe's Town in Illinois Scene of Clash Between Wets and Drys.

Danville, Ill., April 6.—Six men were wounded at the polls in this city, Speaker Cannon's home, during the local option election and for a time matters were of such a threatening nature that, believing there would be certain bloodshed between the wet and dry factions, Evangelist Billy Sunday, who had been holding a series of revivals here, wired Governor Deneen, his close friend, requesting him to order out the local company of militia.

This request was later countermanded, but not until County Judge Allen, after a conference with the clergy, also wired for assistance. The wets carried the city.

The rioting centered around Grape Crook precinct. When Judge Clark, armed with credentials as a prohibition challenger, attempted to enter the polling place he was knocked down by Oscar Cravans, agent for the Terre Haute Brewing company, and thrown outside the lines. Cravans was arrested.

Hilliard Not Located.

Supt. Riddle, of the county infirmary, had not received any word at noon Wednesday from Lawrence Hilliard, who escaped from that institution on Monday.
